OCTOBER 2015 UPDATE

RUGGED RIDGE® SPARTACUS BUMPER KITS

Designed with the European consumer in mind, the soft contours of the Spartacus Stamped Steel Bumpers produce some of the most advanced styling in the industry. The stamping process also creates a high strength 11-gauge steel bumper that's lighter than most aftermarket bumpers. Both front and rear bumpers utilize an adaptable design that can be easily changed between wide or narrow configurations, providing Jeep owners with two different appearances to accommodate larger wheels and tires as well as improved angles. Each kit includes a set of 7/8" D-rings and a variety of items so you can customize your Jeep just how you want it.

*** Each kit includes a set of 7/8" D-rings**

RUGGED RIDGE® FRONT AND REAR WINDOW VISOR KITS

Let the fresh air in and keep the rain out with this window visor kit from Rugged Ridge. These visors feature a durable scratch resistant 2mm thick acrylic and a low profile design for a precise fit. These matte black visors offer a stylish look for the exterior of your vehicle while helping to channel airflow over your vehicle to reduce wind noise when the windows are open, for a quiet and comfortable ride. Attaches using 3M double-sided automotive grade adhesive tape.
