2017-2018 EDITION

WE MAKE JEEPS ROCK

SPARTAN BUMPER SYSTEM

Rugged Ridge® engineered the Spartan Series Bumpers for the Jeep enthusiast that wants the look of a classic off-road style bumper without the extra weight and heavy price tag. The Spartan Front Bumpers one-piece design is available with standard or high clearance ends. Each bumper is built from high-strength plate steel that utilizes fold & weld construction for greater structural integrity, precise fit and a high-quality appearance. A rugged textured black powder coat resists rust and corrosion keeping your Spartan bumper looking and performing great for years to come. Each bumper includes a stand-alone winch plate, D-shackle mounts and the option of a tubular overrider to complete the package (D-rings not included). The Spartan Front Bumper is a direct bolt-on replacement for 2007-2018 Wrangler JK models and includes all the necessary hardware for a worry-free installation. The Spartan even utilizes the factory JK fog lights for a finished look without any extra expense. Best of all, it's backed by our industry-leading 5 year limited warranty, making it the best-built, budge-minded bumper on the market today. **Patent Pending.**

Application	Part #
High Clearance Ends, With Overrider, 07-18 JK	11548.03
Full-Width Ends, With Overrider, 07-18 JK	11548.02

Overrider	11548.04

11548.02

11548.01

XHD ARMOR CLADDING

Robust 3 mm thick steel plate shields your JK's lower body panels from glancing blows with a sectional design that conforms tightly to the contoured surface for an extremely uniform fitment. A rugged black textured powder coat offers impressive looks and superior resistance to rust and corrosion, backed by the added assurance of our 5-Year Limited Warranty. XHD Armor Cladding secures to the body firmly with the supplied black button-head hardware for a clean, finished appearance (some drilling required) and is compatible with OE and aftermarket fender flares, as well as the perfect complement to Rugged Ridge Armor Fenders. (11615.01/11615.02), for a total appearance package capable of tackling any trail. Available for both 2 and 4-door JK models.

Application	Part #
07-18 Wrangler JK, 4-Door	11615.10
07-18 Wrangler JK, 2-Door	11615.11

XHD STEEL CORNER GUARD

Rugged Ridge XHD Corner Guards are purpose-built to protect your factory sheet metal from threats on and off-road. We tooled our corner guards from super-strong 3mm thick steel plate and molded it to match the contours of your Jeep and then treated each guard to a heavy duty textured black powder coat that resists rock chips, rust and corrosion; thus proving that the best offense is a bulletproof defense. Better yet, unlike many of our competitors, XHD Corner Guards fully surround your Jeeps tail lights, shielding from direct impacts that crush lesser corner armor. Available for 2007-2018 Wrangler JK 2-Door (11615.21) and 4-Door (11615.20) models. XHD Corner Guards work with all factory components, as well as most aftermarket flares & accessories. **Patent Pending.**

Application	Part #
07-18 Wrangler JK, 4-Door	11615.20
07-18 Wrangler JK, 2-Door	11615.21

SPARTACUS TJ TIRE CARRIER KIT

The Spartacus HD Tire Carrier System delivers the perfect balance of strength & stability, allowing you to carry up to a 35" tire & wheel combo without all the extra weight of steel bumper-mounted tire carriers. It incorporates a brutally strong die-cast aluminum hinge casting, forged steel hinges and hardened steel pins that replaces the feeble stock tailgate hinges for greater load-bearing capacity while still allowing smooth, one-handed access to the cargo area. The wheel mount is constructed of sturdy steel. Both the hinge casting and wheel mount are protected with a durable black textured powder coat to fend off the elements in even the harshest off-road conditions. Compatible with OE and most aftermarket rear bumpers. No drilling required.

Application	Part #
Kit, 97-06 Wrangler TJ	11546.60
Hinge Casting, 97-06 Wrangler TJ	11546.61
Wheel Mount, 87-06 Wrangler YJ/TJ	11546.62

The Rugged Ridge ELITE Series accessories for 07-18 Wrangler JK are designed with the most discerning Jeep enthusiast in mind. While some are content to just fit in with the crowd, others prefer to stand out, knowing it is impossible to make your mark by simply blending in. We appreciate this kind of thinking and it's the inspiration for our ELITE Series of products. Innovative patented designs, high-quality materials and exclusive premium finishes combine for a distinctive style and rugged appearance like no other. When it comes to your Jeep, Choose the best- choose the ELITE.

HOOD DRESSUP KIT

The Elite Hood Dressup Kit adds a stylish custom touch to your JK. **Patent Pending.**

Application	Part #
Textured Black, 97-18 Wrangler TJ-JK	11101.08

Textured Black, 07-18 Wrangler JK	17212.13
Red, 07-18 Wrangler JK	17212.14
Raw, 07-18 Wrangler JK	17212.15

FIRE EXTINGUISHER HOLDER

Featuring stunning billet-style cast aluminum construction, durable textured black powder coat and a spring-loaded release mechanism made from 316 Stainless Steel, the Elite Fire Extinguisher Holder sets the standard for both form and function. **Patent Pending.**

Application	Part #
Universal	11238.40

DOOR SURROUND KNOBS

High-quality cast aluminum construction and our own distinctive Elite styling to make the new Elite Billet Door Surround Knobs an attractive and functional upgrade for your JK's interior. **Patent Pending.**

Application	Part #
07-18 Wrangler JK, 2-Door	13510.13
07-18 Wrangler JK, 4-Door	13510.14

C3 TAILGATE COVER

A versatile Jeep® deserves versatile accessories and that's the reason we designed the Rugged Ridge C3 line of cargo area protection products. The C3 Tailgate Cover is the perfect complement to the Rear Cargo Cover or as a simple and effective way to make the most of your Wrangler JK's tailgate. Constructed from a durable weather-resistant 900 denier weave PVC material that is UV protected, the C3 Tailgate Cover protects the interior from scratches and scuffs while adding valuable storage space for tools, recovery gear or those crucial fluids that always tumble around in the back.

Application	Part #
07-18 Wrangler JK	13260.09

TRAIL ANCHOR RAILS

Keeping your rear cargo in-check is easier than ever with Rugged Ridge Trail Anchor Rails. High-strength steel plates bolt directly to the tub rails on 07-18 Wrangler JK Unlimited four-door models, providing six sturdy anchor points for securing bungee cords, cargo nets and even ratchet straps to accommodate loads of any size. Each Trail Anchor Rail features a sleek black powder coat finish to accent any interior color and protect from scratches and scuffs. Trail Anchor Rails come in pairs and work with both soft and hard top models.

Application	Part #
07-18 Wrangler JK, 4-Door	13516.70

C4 CANINE CUBE

Bring your canine companion along for a Jeep ride with the Rugged Ridge C4 Canine Cube. Its unique soft-side design suspends from the sport bar and anchors itself to the factory floor hooks- a design so innovative that the canine carrier folds flat to the floor when not in use and can be reconfigured in moments. Constructed from heavy-duty ballistic weave fabric with mesh-screened walls, the C4 Canine Cube keeps your pet safely contained inside while permitting good visibility and air flow to your prized passenger. Plastic-reinforced floor panels provide an added layer of protection to your inter carpet and trim while UV-resistant materials resist fading.

Application	Part #
07-18 Wrangler JK, 4-Door	13260.20

MONTANA BOWLESS TOPS

The Rugged Ridge Montana Top is the most versatile Jeep® soft top on the market today- combining the stunning fastback styling of a bowless top with the built-in ability to go from a fully-enclosed top to a summer brief in an instant! Best of all, no more unsightly top frame to block your view. The Montana Bowless Top fits snugly over the factory roll bar and works with your factory door surrounds and tailgate bar, delivering a uniform air-tight fitment with an aerodynamic style all its own. The Montana Bowless Top is made to strict quality standards, with reinforced stitching on heavy “pull” areas, as well as heavy-duty 30 mil thick DOT approved 31% tint window glass, durable vinyl-coated polyester and cotton fabrics, and seams stitched entirely using marine grade thread to resist fading and deterioration from extended exposure to the elements.

Application	Part #
07-18 Wrangler JK, 4-Door	13790.38
07-18 Wrangler JK, 2-Door	13790.39
97-06 Wrangler TJ	13790.35

TOTAL ECLIPSE SHADE

Offers superior protection from the sun's rays

Application	Part #
07-18 Wrangler JK, Soft Top	13579.15
07-18 Wrangler JK, Hard Top	13579.45

QUICK RELEASE BOW KNUCKLES

Innovative design allows for simple one-handed operation. **Patent Pending.**

Application	Part #
97-18 Wrangler TJ/JK, 2-Door	13510.10
04-06 Wrangler LJ	13510.11
07-18 Wrangler JK, 4-Door	13510.12

TUBE DOOR COVERS

Rugged Ridge Eclipse Tube Door Covers gives JK owners the ability to enjoy the open air element of their Rugged Ridge tube doors while providing a higher level of containment for the passenger area and its contents. Nylon reinforced mesh construction offers a sturdy barrier that installs quickly and easily with the integrated bungee trap and button retaining system. Highly functional and great-looking...you'll wonder how you ever did without them! Set includes front and rear pair.

Application	Part #
07-18 Wrangler JK, Front, Pair	13579.50
07-18 Wrangler JK, 4-Door, Rear, Pair	13579.51
07-18 Wrangler JK, 4-Door, Front & Rear, Pair	13579.52

FORD F-250 FLOOR LINERS

Rugged Ridge Floor liners provide complete protection for the cabin floor of your vehicle while keeping it looking factory fresh. Patent No. 8,163,369,D627,285

Application	Part #
17-18 Ford F-250, Front, Pair	82902.40
17-18 Ford F-250, Rear	82952.17
17-18 Ford F-250, Front & Rear Set	82989.23

GIGA HOOK

The Rugged Ridge Giga Hook is not just another recovery hook. It's massive, oversized "scorpion-tail" styling makes it as attention grabbing as it is functional. **Patent Pending.**

Application	Part #
07-18 Wrangler JK	11237.20

HITCH THIMBLE

Designed to work with our Continuous Soft Shackle, the Hitch Thimble is crafted from heat-treated aluminum alloy, making it lightweight and extremely rugged. It's the perfect recovery accessory for any off-road vehicle equipped with a 2-inch hitch. **Patent Pending.**

Application	Part #
Hitch Thimble	11235.54
Hitch Thimble Kit	11235.57

ROPE D-SHACKLE

Bring your recovery gear into the 21st century with Rugged Ridge® Soft Rope Shackles.

Application	Part #
7/16 inch, 7500 lb, Gray, Each	11235.50
5/16 inch, 4650 lb, Gray, Each	11235.51
5/16 inch, 4650 lb, Gray, Pair	11235.53

CB - AM/FM ANTENNA SYSTEM

If you're worried about where to mount your CB antenna, worry no more. The Rugged Ridge CB/AM/FM Antenna Mount Kit provides the best option possible in one unique package. Replacing your factory antenna with our die-cast aluminum antenna mount will give you a convenient location to mount your choice of CB antennas (not included).

Application	Part #
07-18 Wrangler JK	17212.20

REAR TRACK BAR RELOCATION BRACKET

Constructed of sturdy 4 mm thick plate steel, the Rugged Ridge Rear Track Bar Relocation Bracket repositions the factory rear track bar to aid in centering the rear differential and correcting tracking issues common with lifted vehicle.

Application	Part #
Bracket, 07-18 Wrangler JK	18303.81
Bracket w/ Adjustable Track Bar, 07-18 Wrangler JK	18305.28

CONSOLE ARM REST/PHONE HOLDER

The Center Console Arm Rest with Phone Holder from Rugged Ridge turns your standard JK center console lid into a stylish and comfortable arm rest, one that conveniently docks your smartphone. The Center Console Arm Rest protects the factory console lid from wear & tear, enhancing the interior style of your 11-18 Wrangler JK with a high-tech touch. The Center Console Arm Rest Phone Holder features a recess large enough to hold most large cellphones and a built-in channel for discretely routing phone charging cables out of sight.

Application	Part #
11-18 Wrangler JK,	13107.62

FRONT DOOR STORAGE PANEL

Rugged Ridge Front Door Storage Panels are designed to eliminate those sagging, frayed and droopy factory JK door storage nets. Constructed of durable 600 Denier polyester ballistic weave, these storage panels feature a spacious main compartment with a bungee-style closure, suitable for storing personal property while on the trail. An integrated MOLLE/PALS retention system at the front of each panel allows for the attachment of the included storage pouches, for even greater utility.

Application	Part #
07-18 Wrangler JK, Pair	13551.75

SPARE TIRE TOOL RACK SYSTEM

The Rugged Ridge Spare Tire Tool Rack System is an excellent way to equip your Jeep with the tools to survive any off-road excursion. Each tool rack is built from high-strength power coated steel plate and, with a three-groove rack, will house a variety of tools and implements including axes, shovels, picks, saws, etc. Each tool attaches securely in place with the included retention straps for a quiet, rattle-free ride. The Spare Tire Tool Rack System features a spare tire mounting plate that works with a wide variety of bolt circles and offsets, making it virtually universal for any vehicle with an externally mounted spare.

Application	Part #
07-18 Wrangler JK, Pair	13551.75

HEATED BALLISTIC SEAT COVERS

Using the same durable foundation as our stand Elite Ballistic Pro Seat Covers, but with a little added luxury, Elite Ballistic Heated Seat Covers feature a premium 1200 Denier ballistic weave fabric with internal dual-zone heating elements for pleasing front passenger comfort in cold weather. Each front seat cover is designed specifically for the Wrangler JK so they fit directly over the factory seat and provide a custom fit. With a handy three-position switch built-in to the seat cover, users can choose from multiple heat settings without having to mount switches in the dash or door panel, like some other heated seats.

Application	Part #
11-18 Wrangler JK, Pair	13216.04
