

RUGGED RIDGE® TREK 8 WHEELS FOR RENEGADE

Add an unmistakable custom touch to your 2014-2017 Jeep Renegade with Rugged Ridge's all-new Trek 8 Aluminum Wheels. Lightweight aluminum alloy and a sturdy one-piece construction merge for a wheel that performs as nicely as it looks. The Trek 8 eight spoke wheel features a visually striking gloss black finish, a Renegade-specific hub-centric design with 5 on 110 mm bolt pattern with +30 mm offset and a recessed valve stem for a clean exterior look on any paint scheme. The Rugged Ridge Trek 8 Aluminum wheel combines high-end looks of an aftermarket rim with a factory-quality fitment, all while exceeding strenuous SAE J2530 standards for safety. (Includes center cap)

RUGGED RIDGE® PARACORD GRAB HANDLES

We took the convenience and utility of our classic grab handle and added the trendy tactical styling of nylon parachute cord to create a cool new take on the original- the Rugged Ridge Paracord Grab Handle. Available in two versions, Windshield Pillar Grab Handles attach directly to the interior a-pillars (can also be used above the rear doors on JKU models) while Rear Seat Grab Handles attach to the headrest posts of your JK's front seats. Paracord Grab Handles come in pairs and are available in a vibrant Red color.
